	<			<		7	>		
						↑			
	2		>	1				3	
↓									↑
	7		>			>			

Instructions: Fill the squares with a number from 1 to 7.
Every row and column contains each number exactly once.

THE TWIST: The < (less than) and > (greater than) signs
between the squares tell you which number is bigger. The
arrowhead must always point to the smaller number.
