Futoshiki - Medium #028

2	<				>			>							
		^		v		v									
						2									
		^		^		v		^							
				4					7						
		^		v											
			>	3		>			<	6		>			
						^				v					
						3		7							
			^		v							^			
			^		v		^		^		^				
						7		>		<	6				2

Instructions: Fill the squares with a number from 1 to 7. Every row and column contains each number exactly once.

THE TWIST: The < (less than) and > (greater than) signs between the squares tell you which number is bigger. The arrowhead must always point to the smaller number.
