∨		^	^	^		^		∨
2			4		3			
		∨		∨		∨		
		<						
∨		^						
	1		>			<		6

**Instructions:** Fill the squares with a number from 1 to 7. Every row and column contains each number exactly once.

THE TWIST: The < (less than) and > (greater than) signs between the squares tell you which number is bigger. The arrowhead must always point to the smaller number.
