

Memory Improvement Tips

Kakuro - Easy #009

	11	31			39	14
7				17		
				35		
17			23			
			23			
	30					16
	23					
	4					
33						
9			14			

Instructions: Fill each empty cell with a digit from 1 to 9.
The numbers in every linear horizontal or vertical group
must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues
are below the line. No digit may repeat within the same group.
