

Memory Improvement Tips

Kakuro - Easy #025

	17	24			26	21
16			14	15		
21				7		
	15			3		
		11		7		
	16	7				
26						
15			3			

Instructions: Fill each empty cell with a digit from 1 to 9.

The numbers in every linear horizontal or vertical group must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues are below the line. No digit may repeat within the same group.
