

Memory Improvement Tips

Kakuro - Easy #035

	14	22		26	35	17
17			23			
			32			
35						
	25					
	15	17	19			
						7
21				7		
23				15		

Instructions: Fill each empty cell with a digit from 1 to 9.

The numbers in every linear horizontal or vertical group must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues are below the line. No digit may repeat within the same group.
