

Kakuro - Easy #041

				28	21	16	17
		17	30				
36							
26						10	15
	16				16		
	5				11		
30							
5				11			

Instructions: Fill each empty cell with a digit from 1 to 9.

The numbers in every linear horizontal or vertical group must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues are below the line. No digit may repeat within the same group.
