

Kakuro - Easy #042

			34	13	22	32	17
		35					
	26						
33							
12				16			
							4
16					12		
			4	7			
28							
	7						

Instructions: Fill each empty cell with a digit from 1 to 9.

The numbers in every linear horizontal or vertical group must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues are below the line. No digit may repeat within the same group.
