

Memory Improvement Tips

Kakuro - Medium #043

			40	23		10	17	38	
	14				24				
	10			4					
33									16
14							10		
	3						9		
	10				18	14			
19				9					
14				15					15
			34	16					
3									
4			17			9			

Instructions: Fill each empty cell with a digit from 1 to 9.

The numbers in every linear horizontal or vertical group must add up to the clue shown in the group's shaded cell.

Horizontal clues are above the diagonal line. Vertical clues are below the line. No digit may repeat within the same group.
